## IMO: IBC Code amended

Please be advised by the enclosed **IMO Circular letter No. 3261**, dated 20<sup>th</sup> March 2011, that chapters 17, 18 and 19 of the IBC Code have been amended.

Until the new updated version of the mentioned publication is available on board your ships, it is recommended that you ***keep this circular with the amended chapters*** appended to the Code that is to be found on board.

**Note:** You should note that during Port State Controls such missing updates on publications are always an easily found, but quite unnecessary observation to accrue in the ship's record.
