NAV: New Mandatory Ship Reporting System – Barents SRS

By the enclosed **SN.1/Circ.318** from IMO ships in the area are made aware of the new mandatory reporting requirements in the Barents Area – “Barents SRS”.

In the past there have been no Faroese flagged ships in the region. But as it is expected that this may change, and for the sake of order, the Faroese Maritime Authority now includes this information amongst the navigational information

Management companies and masters should note the requirement to comply with the requirements of the adopted ship reporting system, in accordance with regulation V/11.7 of the International Convention for the Safety of Life at Sea, 1974, as amended.

The reporting was implemented on 0000 hours UTC on 1 June 2013.
