MSC.5/Circ.13
31 January 2014

RESOLUTION A.950(23) – MARITIME ASSISTANCE SERVICES (MAS)

Information on Maritime Assistance Services (MAS)

1 On 5 December 2003, the Assembly adopted resolution A.950(23) on *Maritime Assistance Services (MAS)*, whereby, inter alia, it invited Governments of coastal States that have established a MAS for the purposes as described in the resolution, to forward to the Organization the details (i.e. call numbers, call signs, etc.) of their MAS, to enable the Organization to circulate such particulars, so that shipmasters and other persons or organizations concerned can make contact as necessary.

2 During the period July to December 2013, notification of the establishment of Maritime Assistance Services (MAS) and information on amendments to the existing listing has been received from the Governments of Belgium, France and Greece, respectively.

3 For the purpose of ease of use, the Secretariat has now consolidated the new and already existing information contained in previous MSC.5 circulars, as set out in the annex. Consequently, this circular supersedes MSC.5/Circ.1 to 12, including the corrigenda to these circulars.

4 Member Governments are invited to note the annexed information and bring it to the attention of all concerned, including shipowners and operators, shipping companies, shipmasters, etc. In addition, Member Governments are invited to provide information on MAS as requested in resolution A.950(23).
